THE TEN MOAK COMMANDMENTS

please don’t overcustomize our dishes, it wrecks our chefs workflow

the golddigger is so special, we only make one every hour

if it’s raining and you need an umbrella, just ask our staff

we serve you as one table, payment also goes as one table

we don’t take reservations, even if your name is Kim or Ye

big groups may be split, especially in the weekends

all of our coffees are made with oat milk

please always wait to be seated

please don’t change tables

card payments only
